

Property Brochure

Plot **OURANOS**

Project Overview

In Myrties, Kalymnos, in a beautiful and peaceful location, a plot of land is offered for sale with a unique view of the Myrties and Melitsahas ports together with amazing views of sunset and Telendos island.

The plot is located directly below the well-known climbing sector “Ourania,” which attracts numerous climbers from around the world every year.

Values And Vision

Its location and features make it ideal for the construction of residences or small tourist accommodations that can attract visitors who love nature, adventure, and alternative tourism.

It represents an excellent investment opportunity, as the area is continuously developing and the demand for tourist services is growing—especially from visitors interested in activities such as climbing and exploring Kalymnos.

Features

It is situated within the settlement and very close to the tourist areas of Myrties and Masouri, with easy access to shops, restaurants, and services.

The sloped terrain, has already stone built terraces that facilitate its usability ensuring easy construction while maximizing the breathtaking views of the sunset and Telendos Island.
